

Superior Laminate
Desking to go

Desking^{to go}

Welcome to Offices to Go!

We are proud to present our "Superior Laminate" desking system. This product offering emphasizes clean contemporary styling and "superior" construction. Numerous features make this desking product the ideal "superior" solution for all office requirements.

Available in a wide range of components and sizes, this series can easily be configured to suit any office need. Each surface features our "Super Edge" 3mm PVC matching edge. Our "Super Edge" is stronger and more durable than the edging found on many other desking products.

"Superior" design details, "superior" quality hardware, and "superior" laminates available in American Mahogany or American Cherry make this product the "superior" choice.

Offices To Go "Superior Laminate" desking was designed with your needs in mind to provide years of practical desking solutions.
