

BELMONT VENEER

The warmth of transitional styling enhanced with elegant details. Inlaid cherry veneer bordered by walnut banding and double beaded crown mouldings provide unique details. Executive nuances in bow front worksurfaces and felt-lined box and center drawers provide an aire of distinction. Available in a Executive Cherry (7130), Sunset Cherry (7131) or Brown Cherry (7132) finish.

Tops

7130 and 7131 tops are reconstituted cherry veneers and 7132 tops are cherry veneers finished in cherry bordered by a walnut banding protected with a polyurethane top coat to resist scratches, marring and abrasion.

Construction

Constructed of hardwoods, wood materials and cherry veneers with walnut veneer inlays on mortise and tenon construction with wood cleats, glue, staples and screws.

Drawers

Solid wood, five-sided drawers constructed for strength feature 3-ply veneer bottom and dovetail joints. All drawers have full extension, metal ball-bearing slides to store heavy loads. Filing hardware is included for front-to-back or side-to-side letter or side-to-side legal hanging files.

Adjustable Levelers

All units feature adjustable levelers to compensate for uneven floors.

Specifications subject to change without notice.
