

AMERICUS VENEER

Inspired by the Art Deco periods of the 20's and 30's, Americus showcases a rich, Russet Mahogany finish on mahogany veneers with walnut veneer borders, fluted channels, and dentil moulding for a truly distinct transitional style. The Executive Bow Top Desk features decorative, inlayed crotch mahogany veneers. Function is also paramount with features that include wire management, fully extending drawers and locking pedestals. In addition, Americus features cleverly designed concealed storage accessible via spring loaded panels on front of the Executive Desks.

Tops

All top surfaces are 1.25" thick with mahogany veneer and walnut bands. The Executive Bow Top Desk features inlayed crotch mahogany veneer as well. They are finished in a rich mahogany color with a polyurethane top coat.

Construction

Constructed of hardwoods, mahogany veneers and other wood products. Desks, credenzas, file cabinets and bookcases all have heavy mortise and tenon, glued, stapled and screwed construction for maximum strength and durability.

Drawers

All drawers have five sided dovetail construction and are suspended on fully extending, metal, ball bearing slides. File drawers are equipped with heavy gauge metal rods for letter or legal sized hanging folders with front-to-back or side-to-side filing capabilities.

Adjustable Levelers

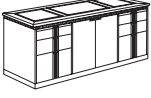

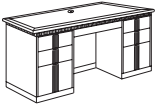

All desks, file cabinets, credenzas, and secretarial units have adjustable levelers.

Specifications subject to change without notice.
