

**ARLINGTON VENEER**

Updated classic design elements come together to create an exceptionally handsome, refined look that is Arlington. A multi-step, Medium Walnut finish showcases expertly proportioned base, waist and crown moldings, angled corners, framed pilasters and pewter finished hardware. Tops are adorned with Marquetry veneer pattern along with decorative walnut veneers with ebony accents to polish off the style.

**Tops**

Tops are constructed of wood and veneer on wood product and detailed with decorative walnut inlaid veneer and ebony and walnut banding with an NC lacquer finish.

**Construction**

Constructed of wood and wood veneers, featuring solid wood bases, shaped moldings and pilasters in a Medium Walnut finish.

Cases feature mortise and tenon construction with wood cleats, glue, screws, staples and threaded inserts with bolts.

**Drawers**

Drawers feature solid wood sides and backs, veneer and veneer banded fronts and 3-ply veneer bottoms. Drawer interiors are sealed. Drop down center drawers function as drawer or keyboard tray.

All drawers feature dovetail construction and are suspended on fully extending, metal, ball-bearing slides.

**File Drawers**

Filing hardware is included for front-to-back or side-to-side letter or side-to-side legal hanging files.

**Adjustable Levelers**

All desks, file cabinets, and credenzas have adjustable levelers to compensate for uneven floors.

Specifications subject to change without notice.
